CEDARS

OUR DEBT.

By Willett Parr, Jr.

Oh Lebanon High, we're leaving you.
It's pretty hard to go,
But Life ne'er stops, but fast moves on,
And we would not be slow.

How can we bring more fame to you
Unless we leave your halls?
We've made our play upon your stage.
The next engagement calls.

You've given us everything you can,
And we have tried hard, too,
By deeds well done, and spirit brave,
To bring more fame to you.

Tho we have worked in mutual faith
The debt belongs to us.
And tho we leave where 'twas incurred
We feel in us your trust.

The half is paid in gratitude,
Which lips cannot express;
The other half in future deeds
Reflecting L. H. S.

Fort Wayne, IN 46801-2270

To Miss Grace Norwood and Miss Mayme Sheridan
who have by their unceasing effort and cheerful sacrifice won the respect
and admiration of us all, we, the class of nineteen hundred
and twenty-one, dedicate this, our annual

SCHOOL BOARD.

Mr. Roy W. Adney, President.
A jolly good fellow, our President
he,
As friendly and capable as any
could be.

Mr. J. M. Worley, Treasurer.
A loyal, true and faithful fan,
He makes a speech whene'er he can.

Dr. L. W. Kirtley, Secretary.
Here is a worthy man, indeed;
As our Secretary he's bound to
succeed.

Paul Van Riper, Superintendent.
Van Riper's the man that makes
things go.
Does everyone like him? Well, I
should say so.

FACULTY

GRACE NORWOOD, Principal.

Miss Norwood is our principal and loyal friend. To her our best wishes we do heartily extend.

MAYME SHERIDAN, English.

Personality plus. this lady we will call. First we fear, next respect, and then love her after all.

CHESTER HILL, Physical Director.

A jolly good fellow is Mr. Hill. As coach and as teacher he fills the bill.

MARY STEVENS, Music.

She is very witty and happy as a lark. If you don't behave in chorus, she will give a red mark.

RUTH CAMPBELL, Commercial

We would praise her, for our sponsor is she. To many of our hearts she holds the key.

OLIVIA VOLIVA, Latin.

To know her is to love her. Latin and sunshine are her specialties.

VORIS DEMAREE, Manual Training.

In manual training he does excell, and all who know him like him well.

JANE WOOD, Art.

And this is Miss Wood, our instructor in art. She holds a high place in everyone's heart.

THOMAS L. CHRISTIAN, Mathematics.

A more patient, good natured young man can't be found. He can prove that a square is almost round.

HELEN KENWORTHY, Mathematics.

Freshmen are her hobby, but she does not waste all of her smiles on them.

JOSEPHINE BOYD, English.

Miss Boyd, an English teacher, comes to us from Delphi, and to find a better one you could not if you'd try.

MABEL KERSEY, Domestic Science.

She teaches not only how to cook

meals, but gives inspiration and higher ideals. Here's to Miss Kersey.

M. M. JONES, Science.

Here is a genius, faithful and true, and one of the best teachers L. H. S. ever knew.

GRACE ETCHISON, English.

Miss Etchison is so quiet and sweet, to have her for a teacher is quite a treat.

EVA SWANSON, History and Public Speaking.

She teaches the pupils how to "orate." We like her and think she is simply great.

EUNICE SNEARLY, French.

With her laughing blue eyes and little French ways, she has made many friends in our happy school days.

HELEN EWBANK, Commercial.

So blithe, so gay and so young is she, a teacher, it seems, she can scarcely be.

ANNA DICKEY, History.

Although she has been with us only a very short time, she has shown that she is our friend and will do everything in her power to help us.

VERNON C. CRIPE, Science.

Such thrilling experiments he does work out. He is a wonder without doubt.

LOUISE HARTMAN, History, English.

So quiet and shy and sweet is her smile; to know her I'm sure is quite worth while.

OLIVE ROBERTS, Physical Culture.

She teaches the girls how to dance and play ball. She is pretty, charming and pleasant to all.

RUTH ROBINSON, Office Assistant.

She is "Jack of all trades" and master of many. A more likeable girl we know not of any.

GOODBYE TO YOU, OLD L. H. S.

You're dear to our hearts, old Lebanon High.
Four long, happy years with you we have spent.
But the time has now come to bid you goodbye,
And our hearts with sadness are rent.

We've stood by you always, old Lebanon High,
To the Black and the Gold we've been faithful and true.
We've held that no matter how hard they may try,
There's none in the land worth comparing with you

Oh, how we will miss you, old Lebanon High!
We'll miss each loved class-mate and teacher and friend;
And as time rolls on and the years go by,
A kind, loving thought or message we'll send.

We'll never forget you, old Lebanon High,
No matter how far we may wander or roam;
Our hearts will be bound with a warm loving tie,
To our own Lebanon High School we've left back home.

—Dorothy Rinehart.

ONE NEVER KNOWS.

The following story was selected by a committee composed of Miss Sheridan, Miss Etchison and Miss Boyd as being the best story to appear in the 1920-21 Penman:

The big old study hall was very still. So still that if a pin were dropped it could be distinctly heard. Each student seemed occupied with his own work or thoughts. It was really more than Lucile Drake could stand. As she let her gaze wonder over the assembly, she saw here a boy with large shell-rimmed glasses pouring over a book, the personification of stupidity, she declared to herself; and there a girl bending over her desk, writing as if her life depended upon it. She turned her eyes to the window. How could anyone be so inhuman and so dead to their surroundings when the world was being changed from a dull country of dark houses and dirty streets into a beautiful white wonderland.

As the soft fleecy flakes of snow came drifting silently by the window Lucile began to revolve things in her mind. It would be interesting, indeed, to notice the different expressions that came and went on the pretty face. However, only one is necessary to my story. Her eyes had been dancing with fun and she had just laughed softly to herself. Perhaps she was thinking of—who knows? It might have been a thousand different things. One never knows. But quick as a flash the laugh left her eyes and they assumed a look of painful realization. It was just two weeks until Christmas. She had not bought Jack a Christmas present and she was almost broke.

She slipped her hand into her pocket and pulled out a little flat purse, very flat, indeed. In it lay a fifty-cent piece, three dimes and four cents. Eighty-four cents to buy Jack a present. It would never do. She must do something to raise some money.

Lucile's thoughts were suddenly interrupted by the loud buzz of the dismissal bell. She hastily put away her books and went to her rooms.

Poor child, what a dreadful thing to be awakened from pleasant thoughts by the startling fact that Christmas would soon be here and she did not have enough money to get her best friend a present.

As soon as she reached her rooms she began tearing down dresses and putting out coats, and emptying dresser drawers. She would sell some of her clothes. She would never miss them, she decided. She held up a pale blue dress. No, she simply could not sell that. Jack always liked it so much. Next she held up a heavy black beaver coat. It was impossible to sell that. Why, Jack always buttoned it up for her. He would be sure to miss it. And so selecting to sell things that she liked and couldn't part with and rejecting things she disliked as not good enough for anybody else, she began to replace them with a little feeling of despair. She had just lifted up a plain dark jersey dress when her eyes caught the glimmer of gold at the front of the waist. Her heart thumped violently. She drew the dress to her and, yes, sure enough, it was Jack's pin. She thought it was lost. She told Jack it was. Ah! Here was her chance. If only she could find some girl who had a Delta Tau friend and likewise had had his pin, but had just lost it. Lucile smiled a little ruefully as she thought of the improbability of such a thing. Nevertheless, she hurried down stairs with the pin clutched tightly in her hand. For one never knows, you know.

She hated to part with it. It seemed just like Jack buying his own present.

"Lucy! Lucy!" called a voice from the door Lucile just passed. The next instant Mary Long was sobbing by Lucile's side.

19 CEDARS 21

19 CEDARS 21

"I've lost Bob's pin. O—O—O—O wha-at will I do-do?"

Lucile's heart skipped a beat. Taking Mary by the shoulders she gave her a little shake, as she breathlessly exclaimed, "What is he?"

It seemed ages before Mary answered, "Why, he's a D-Delta Tau. And the worst of it is," continued she, "Bob'll be as furious with me. O, dear! O, dear!"

Before Mary knew it she was whisked up to Lucile's room. Pushing her into a chair, Lucile perched herself upon the arm and explained how she and Jack had quarrelled and how much she hated his pin any more and how she would sell it for ten dollars.

Ending this long speech she leaned back, exhausted, waiting to see what effect it would have on Mary.

Mary, in turn, looked quite horrified to think of selling Jack's pin for only ten dollars. Still ten dollars was a lot of money. But she wouldn't sell Bob's for a thousand. That is, of course, if she had it. Now this was just like the one she lost. Bob would never know the difference.

So reasoning to herself she finally said, "Yes, I'll take it. But don't you dare ever breath it or—or—."

"Oh, surely you know me better than that," hastily reproved Lucile. "Besides it is a great risk to run selling a pin, anyway. And say, how soon—when can I have the money?" added she bluntly, her cheeks crimson.

"Why, I'll get it for you now," said Mary, now regarding Lucile quistically, "Where is your check book?"

Lucile flew to her desk and in a few seconds had pen, ink, check book and even a blotter before her. When Mary had written the check, she handed it to Lucile. Lucile took it eagerly, but she still held on to her pin.

"Suppose the pin is just like the one I lost," said Mary, just a polite reminder to Lucile that she had not received her end of the bargain. But Lucile only clutched the pin tighter in her hand. She just couldn't lose it. Oh! how could she be so heartless.

"Well, well!" exclaimed Mary, impatiently. "I must be going."

"Sure enough," gulped Lucile. Then shutting her eyes tightly, "Here is the pin."

As soon as Mary was gone poor Lucile sank down on the floor and buried her face in the rugs. She cried until it was impossible to cry longer. She could never face Jack. She just knew she couldn't. Her beautiful little pin, sold! But it was for Jack she did it. Yes, she never would have done it if it hadn't been for Jack. With her conscience a little more at ease, she rose and after splashing cold water in her face, she slipped into a walking suit, crushed a tam on her head, dabbed a little powder on her nose, and hastily left to purchase Jack a present.

It was Christmas eve and eight o'clock by the little ivory clock on Lucile's dressing table and surely it was right. It always was. Yet Jack hadn't showed up yet. Lucile sat close to the floor lamp, almost hidden in a deep leather chair. One tiny arm and hand reclined gracefully on the arm of the chair and the other hand was pressed in a pertruding manner to her forehead. Her slender ankles were crossed and a book lay in her lap.

Yes, she had posed like this so she could make the best possible impression on Jack the instant he entered. She hadn't seen him for ages! She hoped she had improved during the absence. Thus she sat, waiting. She had his present all right. She was

mighty glad for his present, but O, dear, how she got it. This harrassing thought never left her mind. Her uncle had sent her fifty dollars that very day, but of what good was it? Even if she had waited to get Jack's present everything would have been picked over. And Mary was so hateful. She would not sell the pin back for twice ten dollars. She wished—.

Knock! Knock! Knock! Lucile waited in breathless expectation. The lock turned and in stepped Jack.

"O—O—O—O!" exclaimed Lucile, as she bounced to her feet and clapped her hands. Of course her pose was ruined, but I must say she was a great deal more bewitching now than before. Her eyes were brilliant with admiration as she gazed at the young fellow who looked so wonderfully big and handsome and who, laughing so provokingly, with one hand behind him, cried, "Merry Christmas!"

Soon Jack and Lucile were seated before the fire. They had exchanged a few compliments, questions, answers and everything first, to my notion—when Lucile blindfolded Jack and led him to his present. Of course, he was surprised and delighted with it and naturally it was Lucile's time next to be surprised.

Jack tied the handkerchief around her eyes and just after presenting her with her present he took it off. He wanted to see her eyes when she opened her present. What were eyes for if not to look at? Eyes like Lucile's especially. But Lucile did not show a great deal of enthusiasm over it. Her mind was on Jack's pin.

"O, yes," said Jack, not a little disappointed at seeing this lack of appreciation. "I have something else. Do you remember you thought you lost my pin a long time ago? Well, today I happened to run across an old sweater, the one you wore skating, you know, and on it was my pin."

Lucile was standing with large eyes and a wide open mouth, dumb as a stick. Finally, after blinking real hard in the attempt to swallow the great lump in her throat, she stammered, "O surely there's some mistake. Are you s-sure its your ve-very own pin?"

"Why, of course, it is. Aren't my initials on the back?" answered Jack, much puzzled by Lucile's actions.

Lucile darted into her bed room and returned with a long gleaming hat pin. "Stick me," she cried. "SSee if I'm awake."

Jack was so excited because of the way Lucile was acting that he didn't give this request a second thought. He grabbed the pin, snatched up one of Lucile's hands and jabbed the pin into it.

"It is true," Lucile cried with pain and Jack felt as if he had murdered his best girl and cursed himself for being such a confounded fool, but it had the right effect. Lucile was brought to reasoning and really it seemed all to simple. She now saw perfectly natural how it all happened.

She had worn Jack's sweater skating, and Jack had taken the pin from her blouse and pinned it on the sweater. Yes, that was all very simple. And then, one day about three weeks afterwards when she wore that blouse, she missed her pin and could not remember what had become of it. As for Mary. Why, Mary, had worn her jersey dress, now that she thought of it, and it was ver likely she left her pin in it. Yes, undoubtedly that was it. Mary was so forgetful, anyway. That was just like her. Tomorrow she would give Mary her ten dollars and explain all to her.

19 CEDARS 21

I don't think there was a happier girl in the whole house than Lucile as she cuddled up beside Jack on the big, old comfortable day-nport. Jack, in turn, was delighted with the high spirits of Lucile. He couldn't understand just the exact reason unless—maybe she did like his pin and what it stood for, better than he supposed. One never knows.

And as for Lucile's hand, poor hand, she gazed mournfully down at it as it lay clumsily bound up and carefully guarded by Jack. Jack was mighty sorry he stuck her hand. At least he said so over and over again. Maybe he was and maybe he wasn't. One never knows. But all is well that ends well. —V. White '22.

GRIT YOUR TEETH.

If you're fighting for the right,
Grit your teeth!

'Tho the day is black as night,

Grit your teeth!

If the sky is pretty blue,

And your hopes gone up the flue,

Here's just what you'd better do.

Grit your teeth!

Grit your teeth and use your head.

Grit your teeth!

'Tho your heart's the weight of lead,

Grit your teeth!

Never let the big world know

That you've had a hard old blow.

Let them see your "pep and go."

Grit your teeth!

Anyone can whine and cry.

Grit your teeth!

But a man's a man who'll try

To grit his teeth!

Shed your hat and overcoat.

Show 'em Gloom's not got your goat.

Nor you're not in Charon's boat.

Grit your teeth!

No one wants to know your woes.

Grit your teeth!

Drop that sad, dejected pose.

Grit your teeth!

Keep that upper lip set stiff.

No one else will know the "diff."

And you'll soon be happy if

You grit your teeth!

ANNUAL HOMECOMING.

(Taken from the Lebanon Reporter, November 27, 1946.)

A monster celebration was staged at the High School Building on Wednesday evening, November 25. This was the occasion of the Homecoming, which is held each year, the day before Thanksgiving, under the auspices of the Senior class. This Homecoming was especially important since it was also a celebration of the erection of the new high school gymnasium. In 1925 a new gymnasium was erected which was judged sufficient to accommodate L. H. S. for many years, but the school has grown so that it was again necessary to build a gymnasium in order that Lebanon's wonder track and basketball teams might have the best and most up-to-date equipment in the state. A special effort had been made to get every Alumnus back and the old students of L. H. S. responded nobly. Of especial note was the class of '21, as almost all its members were back. A very clever program was given in the afternoon by the Seniors and some of the former students made speeches. At six o'clock supper was served cafeteria style. After the supper the members of the class of '21 met in the auditorium to talk over old times and enjoy speeches from some of the members.

Governor and Mrs. Parr, the former Miss Mary Lenox, of the class of '20, had driven over from Indianapolis in their Packard. Governor Parr made the address of the evening. The Governor has grown quite fat and his head has become bald, but he is still a good speaker and he brought tears to the eyes of many when he spoke of the good times they had enjoyed together in high school days. He introduced several members of the class who had become prominent. Among them were:

Newton Ashley, United States Senator from Indiana; Lorenzo Dougherty, the great comedian, who broke his appointment at the Murat to be present at the Homecoming and who favored his old friends with several vaudeville acts; Professor John Cox, Ph. D., the distinguished professor of Philosophy in Harvard; and Byron Cory, M. D., the head surgeon of the largest hospital in Boston.

Mr. Wilbur Slagle, president of the First National Bank, Indianapolis, and his wife, the former Miss Lucile Burke, of the class of '20, had driven over with Governor and Mrs. Parr from Indianapolis. Mr. Slagle was the treasurer of the Senior class and liked to handle money so well he became a banker and has made a notable success.

Mr. Merrill Gardner and his wife, the former Miss Dorothy Nease, came from their home in Chicago to attend the Homecoming. Mrs. Gardner has changed very little and the two seem as devoted to each other as they were twenty-five years ago.

Miss Elizabeth Garner, the world famed pianist, gave several numbers which were enjoyed by the company; and Miss Dorothea Varntz, who has just returned from a tour of France and an art school in Italy, presented one of her famous and costly pictures to Lebanon High School. The famed cartoonist, Robert Cook, gave a chalk talk, and amused the audience by making cartoons of the members as they appeared twenty-five years ago. Doris Smith, Jeanette Sandlin, Mildred Chenoweth, Mary Brown and Catherine Hooton, who have been on the Chautauqua platform for a number of years, gave one of their clever acts. Laurin Walter, Wallace Vaughn, Chester Riner and George King, who constitute a male quartette which has won nation-wide fame, gave a few selections for their old classmates, accompanied at the piano by Mr. Audra Dulin.

19 CEDARS 21

Miss Eunice Budd, a physical culture teacher, came all the way from New York City to be present at the Homecoming. Miss Budd has done a wonderful work among the tubercular children. Miss Estle Nichols, who practices law in Indianapolis, and is one of the foremost lawyers of the state, was present. Mr. and Mrs. Clive Etchison, who were recently married, came from Denver, Colorado. Mr. Etchison is a success lawyer in Denver and Mrs. Etchison, formerly Miss Myrtle Miller, was a teacher of domestic science in the high school there.

Mrs. Helen Ryan Wick, of Frankfort, was present and made a short speech on the "Advancement of L. H. S. Since 1921." Floyd McDonald, owner of the largest department store in Lebanon, and Lloyd Hopkins, a confirmed old bachelor and owner of the largest grocery store in Lebanon, welcomed their old friends back. These two public-spirited citizens have done much to make the new gymnasium a possibility.

Drs. Joe Fall and Fred Smith were present. These two old students of L. H. S. have achieved fame by discovering a cure for the sleeping sickness. Mr. James Allen Hogshire, an electrical engineer who has attained prominence in the world of science by the construction of a great bridge over the Amazon River, attended the Homecoming.

The Honorable Cyrus Wooley, judge of the Supreme Court of Illinois, could not be present, but sent his regrets. Coach Charles Sims, of the champion football team of Princeton, also could not be present, but he sent greetings to all his old classmates. Mr. Sims was the president of his class in the Senior year and was greatly missed. The Misses Lura Garner and Ethel Rhoades sent regrets from Virginia. They are teachers in a girls' school there and could not be present.

Mrs. Dorothy Dunn White, who was married soon after school was out, was present. She is now a widow and resides in San Francisco. Charles Powell, who is the manager of all the Haag Centrate Drug Stores in Indianapolis, was present. Mr. Paul McCarthy, who owns the most up-to-date barber shop in Indianapolis, was present. Others present from Indianapolis were: Misses Areva VanHuss and Mary Tice, teachers at Mrs. Blake's; Miss Opal Hall, who owns an exclusive millinery shop; Mr. Paul Gullion, owner of a cleaning and pressing establishment; Miss Martha Morris, teacher of music at the Metropolitan, and Miss Mary Johnson, instructor in bookkeeping at the Central Business College.

Miss Dorothy Rinehart, who has been traveling in California for her health, returned in time for the Homecoming. She was Professor of Music at Grinnell College, Iowa, before her health failed. Mr. Harold Meadows, successful business man and noted golf player, came from Duluth. Herschel Perkins and Buren Waddle expert tanners in St. Louis, Missouri, were present. Miss Esther Powell, a prominent settlement worker in New York City, was unable to be present.

Mr. Leland Ross, who is now one of the foremost orators in America, was present. He announced to his old friends his engagement to Miss Lillian Johnson, the famous poetess. This engagement is a culmination of a love affair began in their Senior year in L. H. S. Mr. Floyd Beck, a scientist, who has done much research work in Alaska, arrived in time to attend the Homecoming. Mr. and Mrs. Clyde Tribbett arrived from Atlantic City to visit with Mrs. Tribbett's parents, Mr. and Mrs. Immel. Mr. Tribbett is a successful business man in Atlantic City.

Ralph Stark, head of the botany department in L. H. S. and successor to Mr. M. M. Jones, who retired from his position about ten years ago, was glad to welcome back all his friends. Mr. and Mrs. Paul Waggoner were present. Mrs. Waggoner is a

prosperous farmer and resides in Boone county. Mrs. Waggoner was formerly Miss Myrtle Wonnell.

Carroll Sparks, who just recently married a very rich widow in New York City, was present. He seemed very happy. Hubert Robinson, an expert accountant, was present from Philadelphia. Mrs. Walter Cassidy, formerly Miss Lorene Randolph, was present.

Miss Evaline Burroughs, inventor of a wonderful new cosmetic and owner of a fashionable beauty parlor in New York City, was present. Mr. and Mrs. Norval Kern arrived home from Africa last week and attended the Homecoming. Mr. Kern made a talk on the "Needs of the Natives," and Mrs. Kern, formerly Miss Esther Wall, also made a short talk. A collection of \$500 was taken for the cause.

Loron Garner, instructor of horse-back riding at a fashionable girls' school, in Massachusetts, attended the Homecoming. The former Miss Mary Hoffman, wife of John C. White, a successful Ohio farmer, attended the Homecoming. Miss Violet Updike, a prominent Cleveland landscape gardner, accompanied her.

Miss Catherine DeVol, who resides with her parents, was present. Other Boone county people were: Kenneth Peterman and Herbert Gregg, owners of a dairy farm near Lebanon; Rushton Plew, a successful farmer, and Ervin Beatty, sheriff of Boone county.

The class of '21 has been very fortunate in that there has been but one death in it. Miss Naomi Haworth, who departed this life June 2, 1923 was missed and sincerely mourned for at the reunion of the class. This and the thought that the happy care-free school days were over were the only things which cast a shadow over the enjoyment of the evening. At a late hour the old classmates departed, swearing everlasting loyalty to the dear old high school and promising to boost it in whatever enterprises it should undertake.

OUR DEBATORS

TRIANGULAR DEBATE.

The tryouts for the Triangular Debate were held December 17, before the assembly. Those who tried out on the negative were George Busby, George Hurt, Lawrence Henderson, Paul McCarthy and Leland Ross. The affirmative speakers were Willett Parr, Fred Duff, Clive Etchison, Irl McDaniel, John Ryan and Carl Tyre. The five judges, Miss Sheridan, Miss Voliva, Miss Hartman, Mrs. F. F. Carpenter and Mr. Cripe, chose as the six speakers Willett Parr, Leland Ross, Lawrence Henderson, George Busby, George Hurt and Fred Duff, with Clive Etchison and John Ryan as alternates.

The subject for the twelfth annual triangular debate was "Resolved, That the cities of Indiana should adopt the business manager form of municipal government."

The negative team, composed of Leland Ross, George Hurt, George Busby (captain) and John Ryan, alternate, journeyed to Frankfort, January 27, and were defeated by the Frankfort affirmative. The Frankfort negative won over the Crawfordsville affirmative. The same evening our affirmative team, composed of Fred Duff, Lawrence Henderson, Willett Parr (captain) and Clive Etchison, alternate, defeated the Crawfordsville negative.

TRIANGULAR REMINISCENCES.

This year the twelfth annual Triangular Debate was held between Lebanon, Crawfordsville and Frankfort. Of these Lebanon has won five, Crawfordsville three and Frankfort three.

A brief survey of debating work that took place prior to the first Triangular in 1909-10 reveals the following:

1905-06—L. H. S. vs. Sheridan. L. H. S. won.

1906-07—L. H. S. vs. Crawfordsville. Crawfordsville won.

1907-08—Adelphians vs. Perielesians. Adelphians won

During the year 1908-09 the debating work was confined to the two literary societies, the Adelphians and the Perielesians. Work was started that year, however, toward the formation of a Triangular League, probably with Frankfort and Crawfordsville. The following year this league was formed and under the leadership of Miss Rose E. Rudin, assisted by the other teachers, the first triangular teams were formed. A summary of the results since our first triangular is as follows:

1909-10, Lebanon; 1010-11, Lebanon; 1911-12, Lebanon; 1912-13, Frankfort.
(Lebanon affirmative won over Crawfordsville.)

1913-14, Crawfordsville; 1914-15, Crawfordsville.

(Affirmative for each school won, but Crawfordsville won on per cent.)

1915-16, Lebanon; 1916-17, Frankfort.

(Lebanon affirmative won over Crawfordsville.)

1917-18, Tie.

(All negative terms won.)

1918-19, Crawfordsville.

(Lebanon negative won at Frankfort.)

1919-20, Lebanon.

(Lebanon affirmative won over Crawfordsville.)

1920-21, Frankfort.

BOONE COUNTY ORATORICAL.

The Boone County Oratorical and Declamation contests were held in the auditorium of the Lebanon High School January 21.

These contests are becoming more interesting each year. This year every High School in Boone county was represented. Lewis Westenbarger, of Whites-town, won first in the boys' contest, giving "The Prince of Peace." John Ryan, Lebanon, delivered "A Plea for Cuba," and received second place. Naomi Hay-

worth won first in the girls' contest, giving "The Sign of the Cross." Margaret Dayton, of Jamestown, gave "Lasky," and received second place. Our speakers were a credit to our school and we are sure proud of them.

CENTRAL INDIANA ORATORICAL.

In the C. I. H. S. Oratorical, Naomi Haworth represented Lebanon with her oration, "The Genius of Patriotism," and Eugene Higgins gave the "Address at the Unveiling of the Statute of Lincoln." Both the Boys' and Girls' Oratorical was won by Noblesville, with Crawfordsville second and Frankfort third in the Girls', and Lafayette second and Crawfordsville third in the Boys'. All the speakers were exceptionally good and Lebanon's orators acquitted themselves well.

A RECOGNITION.

The Senior class of '21 can most appropriately offer their utmost thanks and gratitude in this Annual to our class sponsor, Miss Ruth Campbell. She has been our pilot in all the difficulties that arise in the last year of school. Her enthusiasm has revived the spirits of those who were faltering and she has been an inspiration to the entire class. In every Senior activity she has taken her full share of the burden and by her cheery encouragement has helped to lighten those of others. The success of the Senior class is largely because of her help and instruction and we feel that in no way would the Annual be complete without a recognition of Miss Campbell's help as class sponsor.

BASKETBALL SUMMARY 1920-21.

With Sims, Slagle, DeVol, Akers and a brand new gym, Lebanon's hopes soared skyward for a winner in '21. L. H. S. got off with a flying start and tallied ten consecutive victories before they met their first defeat at the hands of the fast Bloomington aggregation.

Lebanon has won a total of twenty-two games with only nine defeats during the entire season. The worst defeat of the year came from the Crawfordsville team, when they downed Lebanon 43-19. This was a surprising defeat as Lebanon had beaten practically the same team earlier in the season 51-9.

The team this year has faced the hardest schedule in the history of the school and while we are not offering alibis, the team was really "game weary" and physically exhausted when the sectional tournament came.

Had the sectional tourney come about February 1, while Lebanon was outclassing such teams as Franklin, Anderson, Lafayette, and all of the strong teams over the state, there is no doubt but what Lebanon would have run close for the state honors. But as the season progressed the team seemed to be losing their vitality and pep; undoubtedly due to too many games. Lebanon has averaged six games a month, while other schools over the state were playing only three or four games. Frankfort has played only twenty-five games against our thirty-one this season.

This is the first year that Frankfort has ever been able to win the sectional tourney, although they have fought hard for the last seven years. Frankfort has a fine team this year and they are to be complimented on the fast, clean basketball they played in the sectional tournament.

19 CEDARS 21

CHESTER HILL
(Coach)

Too much praise cannot be given to Coach Hill for the energy which he expended to develop a team for Lebanon High School. He saw that one of the principal things that Lebanon needed was a new gymnasium, and it is largely due to his unceasing efforts that we got our large and splendid gymnasium.

He led the team through the longest and hardest schedule that any Lebanon team has ever had, and although he had an unusual amount of bad luck and misfortune he never lost his smile. His determination to succeed won him the confidence and esteem of all the students and the fans.

VORIS DEMAREE
(Manager)

Mr. Demaree has proven himself an efficient managerial pilot for our team. By his efforts Lebanon has secured games with some of the best teams over the state, and Lebanon fans are never wanting for high class basketball. Although a quiet and unassuming man, too much credit cannot be given him for his successful management.

19 CEDARS 21

GEORGE CROSS
(Yell Leader)

George is a "big" factor in our pep machine. His sinewy movements and graceful dances have rendered Lebanon's cohorts hoarse with yelling and our opponents dazed with spellbound astonishment.

"BILLY" BYERS
(Yell Leader)

Whenever a lot of pep and enthusiasm is needed we turn to "Billy" to gain our inspiration. His work has kept up the pep of L. H. S. this year in no small way.

CHARLES SIMS, Capt.,
(Guard)

"Simsie" is always there with the old "pep" and "fight," and his graduation this year will be a keen loss to the team. He is a real backguard, as all opponents will testify, and his cool, heady defense has spelled victory for Lebanon many times. Everyone regrets that "Charley" is a Senior.

WILBUR SLAGLE (Woodo)
(Forward)

This is Slagle's third and last year on the team and all the fans are sorry to lose Wilbur. He has proven himself a very valuable man during his three years. He is always the victim of close guarding by opposing players, but always manages to slip in under the basket for two or three markers. Despite the close guarding he was second highest point maker on the team.

19 CEDARS 21

BENNIE DEVOL (Beanie)
(Forward)

"Bean" is the youngest of the "DeVol Trio," and bids fair to be the best. He has an uncanny eye for the basket and he is the best floor worker on the team. He was the original "pep merchant" and was high point man of the season. Bennie has two more years on the team and we expect great things of him in the future.

ARTHUR AKERS (Doc)
(Guard)

Although the smallest man on the team, Doc made up for it in speed. His speed in dribbling and his long shots from back of center were the main factors in our offense. "Al" probably played his best game against the state champions, Franklin. He was greatly handicapped during the last of the season because of boils. Doc will be a dangerous man to any defense and all teams will watch him next year.

NOBLE HARLOS (Hines)
(Center)

This is Noble's first year on the varsity. He sure plays a scrappy and hard game from start to finish. His size makes him a difficult man to stop, and he always gets away for a few markers under the basket. Noble should be a great success next year.

CAROL SPARKS (Sparksie)
(Center)

This "long" boy came here after a successful season with Jamestown. He played center for Lebanon and was one of the best we ever had. The way he handled the ball was a great worry and puzzle to his opponents, and his eye for the basket was one of the best on the team. We regret that he came here so late and is leaving so soon.

19 CEDARS 21

HAROLD MEADOWS

(Blue Grass)

(Forward)

"Blue Grass" is the feather-weight of the team and feels fat if he tips the scales at one hundred and twenty pounds. Although eligible for only one semester he has fought hard and certainly deserves his letter. He is a Senior.

KENNETH PETERMAN

(Santa Claus)

(Forward)

Kenneth got away to a late start, but sure showed his fighting qualities. "Pete" always came through with his field goal in any contest. He has certainly earned his "L" this year.

HAROLD CLEMENS (Zulu)

(Guard)

"Zulu" won his "L" this season, but did not see as much action as some of the men. He bids fair to become a good backguard next year. He played his best game against Lafayette. Harold is a Sophomore.

BUREN SMITH (Smithy)

(Forward)

Although on the bench the majority of the season, he always gave a good account of himself when in action. He is probably the best shot on the squad and plays well at either center or forward. He should be a regular next year.

INTERCLASS BASKETBALL.

With a fast and well trained balanced team, the Juniors easily won the class champion title for 1922. They suffered only one defeat during the season, and that came from the hands of the Seniors. From all appearances they bid fair to repeat next year.

SENIORS DOWN UNDERCLASSMEN.

In their annual fracas, the Seniors swamped the classmen by a 29-15 score. The Seniors outplayed their opponents at nearly every stage of the game. Some of the graduates played a better game against the underclassmen than they have in any game this season. Akers was injured after about five minutes of play and with his removal the hopes of the classmen were shattered. Sparks, Peterman and Slagle were the main point getters for the graduates, while DeVol was the big noise for the underclassmen. There was a large crowd in attendance and the net proceeds of \$105.00 was divided on a fifty-fifty basis between the Seniors and the Juniors. The Seniors share will go toward paying for their year book, the Cedars. The Juniors will use their money to pay for the annual Junior Reception given to the Seniors. The lineup and summary:

Seniors.	Underclassmen.
Gregg	F. Smith
Peterman	F. DeVol
Sparks	C. Harlos
Slagle	G. Akers
Sims	G. Clemens

Substitutions—Meadows for Gregg, Clemens for Smith, Tyre for Akers, Lasley for Clemens. Field Goals—Peterman 5, Sparks 4, Slagle 4, Gregg 1, DeVol 3, Harlos 2, Smith 1, Akers 1. Foul Goals—Sparks 1, DeVol 1. Referee, Goodwin.

TRACK.

The first call for track candidates came in the form of a chapel pep meeting on Wednesday, March 16. Speeches were made by Parr, Higgins, Jones and King, letter men left from last year's team.

Among the most promising material that Coach Hill had to work with are King, Akers, DeVol, Harlos, Voorhis and Kincaid.

The old half-mile track at Memorial Park has been remodeled under the supervision of Coach Hill, and promises to be an excellent cinder path. There will be several good meets this year and Lebanon stands a good chance of capturing some of the trophies. The tentative schedule follows:

April 8—Class Meet.

April 15—Boone County Meet.

May 7—Central Indiana (Frankfort).

May 13—Sectional at Crawfordsville.

May 21—State Meet at Purdue.

19 CEDARS 21

CENTRAL INDIANA TRACK MEET.

On May the 7th Eugene King, Harold Meadows, Kenneth Kincaid, Eugene Higgins, Joe Voorhis, Noble Harlos, George King, Kenneth West, Bennie DeVol and Herbert Gregg journeyed to Frankfort to represent L. H. S. in the C. I. H. S. Track Meet. The meet was won by Noblesville. Lebanon placed fourth in the meet with a field of six schools entered. Higgins won first in the pole vault with 10 ft. 8 in. DeVol took second in pole vault which gave Lebanon her 9 points. We are looking to these men to win honors in the State Meet this year.

COUNTY TRACK MEET.

Won By Lebanon.

Lebanon with a total of 43 1-2 points won the Boone County Track Meet, held at Memorial Park on April 20. Zionsville came in for second place with 22 points; Whitestown third with 15 1-2 points; Thorntown fourth with 13 points; Perry Central fifth with 4 points, and Advance sixth with 1 point.

There was a large delegation of rooters from all the six schools represented. The success of the meet as a whole was very encouraging and it is predicted that next year's meet will be a much better one in every respect. On account of heavy rains the track was very heavy and slow and the time in all the events were very good considering the conditions of the grounds.

The race for individual honors was a close one. Way, of Zionsville, was beaten out of the gold medal by one point. Higgins, of Lebanon, won three firsts and Way secured fourteen points. Summary of the meet:

100-Yard Dash—1st, Way (Zionsville); 2nd, Tapp (Thorntown); 3rd, King (Lebanon). Time 11.3.

1 Mile Run—1st, Smith (Whitestown); 2nd, Parr (Lebanon); 3rd, Bramblett (Perry Central). Time 5.14.

440-Yard Dash—1st, Higgins (Lebanon); 2nd, Gillaspie (Perry Central); 3rd, Kincaid (Lebanon). Time 60.2.

120 High Hurdles—1st, Higgins (Lebanon); 2nd, Way (Zionsville); 3rd, Harlos (Lebanon). Time 19.

880-Yard Run—1st, Voorhis (Lebanon); 2nd, McGhee (Zionsville); 3rd, Waters (Whitestown). Time 2.19.

220-Yard Dash—1st, Way (Zionsville); 2nd, Meadows (Lebanon); 3rd, Stump (Advance). Time 26.1.

220-Yard Low Hurdles—1st, Akers (Lebanon); 2nd, King (Lebanon); 3rd, Burress (Whitestown). Time 30.3.

High Jump—1st, Tapp (Thorntown); 2nd, DeVol (Lebanon); 3rd, Burress (Whitestown) and Kern (Lebanon) tied. Height 5.4.

Shot Put—1st, Bell (Whitestown); 2nd, Gault (Zionsville); 3rd, Bender (Zionsville). Distance 40.3.

Broad Jump—1st, Tapp (Thorntown); 2nd, Burress (Whitestown); 3rd, Way (Zionsville). Distance 17.7.

Pole Vault—1st, Higgins (Lebanon); 2nd DeVol (Lebanon); 3rd, Smith (Zionsville). Height 10.3.

Lebanon easily won the mile relay with Parr, King, Kincaid and Meadows. Time 4.21.

THE NEW GYMNASIUM.

The new gym is a much needed improvement. It is located just east of the High School Building. In dimensions it is eighty feet wide, one hundred five feet long and is twenty feet from the floor to the lower part of the trusses supporting the roof. The playing floor is forty-five feet by seventy-three feet. The bleachers will seat comfortably one thousand, seven hundred and fifty people.

The building is more than a gymnasium. It is a complete indoor playground. It serves for basketball, indoor baseball and track. It is headquarters for the Boy Scouts, the Sunday School League and the business men's volley ball teams. It is a magnificent place for lectures, entertainments, musicals and physical training demonstrations. Later it will be equipped with a stage and be ready for class plays, commencements, etc. The thought in our minds now is: How did we ever get along without our gym.

ORGANIZATIONS

BOOSTERS CLUB.

This year marks the fifth year that the Boosters Club has been an organization in L. H. S. The selection for this year's membership was made last fall by the faculty out of a list of ten eligibles handed in by the Senior members of the club. Ralph Stark is president this year. The other members are Willett Parr, Clyde Tribbett, Kenneth Kern, Kenneth Peterman, Charles Sims, James Allen Hogshire, Fred Duff, Harold Lawler and Floyd McDonald.

The club has had charge of the pep meetings that we had this year. The purpose of the club is to boost every school enterprise and encourage a good school spirit.

The Sunshine Society has done much good this year. At Thanksgiving baskets were sent out and clothes and flowers were sent all through the year. Notes were sent to pupils of L. H. S. who were sick. The girls sold Red Cross seals at Christmas and tags for the Civic League later. They made about forty dollars on a candy sale. One hundred and fifty dollars was pledged to the milk fund. Two girls went to Normal school with money borrowed from the society.

BOTANY AND AGRICULTURE.

Mr. Jones has worked hard on the improvement of these two courses. He has built them up wonderfully since he has been with us. Students seem to take more interest each year in these subjects. This year the Botany section has grown so that Mr. Cripe has taken charge of one class, while Mr. Jones has two sections. There are seventy-nine students in the Botany classes and seven in the Agriculture class.

The Botany classes made field trips in the fall and gathered weeds and flowers. Later in the winter they studied the structure and characteristics of plants. During this spring the Botany classes tested seed corn for farmers and made a through study of gardening.

The Agriculture class studied farm management, dairy management, soils, fertilizers, poultry, farm stocks and farm crops. The Agricultural Colleges have contributed much to the efficiency of this department. The laboratory now has a fairly large supply of pamphlets on Agricultural subjects. The class also made inspection trips during the year.

PHYSICS AND CHEMISTRY.

Mr. V. C. Cripe is the instructor in Physics and Chemistry this year. The regular text book work was studied in both classes. Experiments were performed by students in both sections. The Physics class studied the telephone, telegraph, wireless and electric motors and dynamos. Since there is so much that can be studied in this subject, only the most important facts were touched upon. A more thorough course offered in college.

The Chemistry class has studied elements, compounds, compositions, foods and food values.

Semester's papers were prepared by the students in these classes.

GENERAL SCIENCE.

This course is a mixture of Botany, Physics, Chemistry and Physical Geography. Several Freshmen and Sophomores took this course this year. It is a good all-round course of these subjects, considering the time that it is studied. This class together with the Physics and Chemistry classes, visited the Stutz Automobile Plant, the Riverside Pumping Station and the Auto Show, at Indianapolis, on March 11.

TYPEWRITING DEPARTMENT.

The typewriting department are doing somewhat different work than they have for the previous years. There are seventy-six students in the work and only fifteen machines. This year certificates have been awarded to several students for speed and accuracy in typing forty words net for ten minutes. The following students have received certificates: Lalah Immel, Lillian Johnson, Hubert Robinson, Ervine Beatty, Eunice Budd, Myrtle Miller, Elizabeth Garner, Mae Peabody, Ruth Riner, Blanche Warren and Edna Slagle.

A state contest will be held April 20. A medal will be given to the individual making the highest record. A trophy will be given to the team who makes the highest average. A team is composed of the ten students making the highest average in their school. The papers will be graded by experts from the Underwood and Remington Typewriting Companies.

The speed tests are held according to the International Typewriting Rules. The student writes for ten minutes on material which he has not practiced. Ten words are deducted from gross number of words for each error.

ART.

The art class has done excellent work this year under the supervision of Miss Jane Wood, the art instructor. A variety of things have been made this year consisting of candle shades, lamps, pictures, trays, bowls, sanatos sets, bon bon boxes and many other numerous things. The art class has worked very faithfully in making posters and signs for the school to be used in the different enterprises. A few oil paintings and drawings in pastel have been made by some members of the class.

SMILE.

SMILE every time you get a chance. It's the chance smile that wins.

SMILE if you're thin, laugh if you're fat, and if you're neither, just grin.

SMILE at hard luck. The fates may think you like it and quit.

SMILE and never let the sun set on your troubles. Sit on them yourself.

SMILE at the past and you can grin at the future.

SMILE while you're awake and you'll laugh in your sleep.

SMILE when you fail and you'll die laughing at your success.

SMILE when you're mad, and try to frown when you're happy.

SMILE at a dime and it will look like a dollar.

SMILE if it kills you and you will die with a grin on your face.

SMILE every time you think of it and you'll soon get the habit.

Dear Editor:

You have asked me to discuss the advantages of a college education and I shall try to do so as briefly as possible. Let me say first that a college education is not essential to success in life. Many men and women have educated themselves outside of college halls and attained eminent success. A Freshman at Yale once asked Dr. Hadley, the president, a question which was promptly answered. Whereupon the young man said, "My mother was right. She said, 'My son, you can learn something from anybody.' " It is true that a great deal of the wisdom is with plain and lowly folks. However, the college student acquires in four years what a quarter of a century might not provide outside of the class room.

Does a college education pay? In a study made by the Bureau of Education of the United States these startling facts are revealed. Of fifteen million men in the United States over 30 years of age, two million could neither read or write and not one attained distinction; of twelve million with only an elementary schooling, one in nine million attained distinction; of six hundred and fifty thousand with high school education, one in every four hundred and forty attained distinction; of three hundred and fifty thousand with a college education one in every forty-two attained distinction. In other words the man with no education has on the average no chance to win; the boy with a common school education has one chance in nine thousand to win; the high school graduate has one chance in four hundred and forty to gain distinction, and the college man or woman has one chance in forty-two to attain distinction.

Less than one per cent. of American men are college graduates, yet this one per cent. of college graduates has furnished about fifty per cent. respectively of our Presidents, of the members in the National Congress, of the Speakers of the National House of Representatives, of the Vice-Presidents, of the Secretaries of State, of the Secretaries of the Treasury, of the Attorney-Generals, of the Justices of the Supreme Court.

The Great War has proved in no uncertain way the value of a college education. The officers' training schools were filled with college men, a college course being an almost sure path to a commission in the army and navy. The aviation corps was composed largely of college trained men. The ordinance department, the quartermasters' department, the artillery, the engineering corps, the transportation lines, and the departments at Washington were honey-combed with men who had had the discipline involved in the four-year college course. Now world reconstruction grimly faces us and the demand for college men and women is more urgent still; it is imperative. The forces of disorder which are loose must

be controlled and converted by clear-headed men and women of intellectual stamina and expert training.

A college education has a value in terms of dollars, but life consists not in the abundance of material things. Wealth, at its best, only gives the possessor an opportunity for higher service and for finer living. A college education means a larger and richer life. It ought to mean, and in most cases does mean, a truer knowledge of one's real self. It means a truer appreciation of men and affairs.

L. H. S. PAST AND PRESENT.

Lebanon High School has a past of which all of us are justly proud. She has annexed three state championships in basketball and has had track teams which could compete favorably with the best of them. In other fields of endeavor, in debate and oratory, the representatives of Lebanon have always ranked near the top. Besides, the scholarship standard has always been high. As was said in the beginning, this record is a good one. Yet, what we have done, what we have won, will not win victories for us in the future. Every alumnus and every student delights in reading the days when "Tommy" King held "Stonie," when Don White, "Cat" and the rest smothered all opposition, or perchance "Herbie" Ransdall and Floyd Perkins out-argued our friendly enemies from Frankfort. Yet what these men did while in high school does not win for Lebanon now. In other words, the past is past, and the present and future must be met with by those who are now in high school.

You cannot point to the past and then complacently rest on your oars. You can, however, use that past for one thing and one alone. You can go there and find inspiration and the proper school spirit for your present endeavors. If you are a loyal student of L. H. S. and actually wish to see Lebanon win, come out for something. Perhaps there are many undeveloped possibilities in you that would come to light. If you are athletically inclined, come out for a team early, train, learn to work with the other fellow and make that team. If you think you have a little blood of the genius of Patrick Henry in your circulatory system, try out for a debating team or an oratorical contest. Remember, public speaking helps you and you may use it after school days are gone. You may want to sell patent mop handles or something of the kind and a little public speaking would be just the thing. If you are a 90 per cent student and average 87 per cent., count yourself a failure. You should make 90. If you feel you are not quite sure of yourself in history, or algebra put a little more mental effort on it and the effect will be noticeable. Try it and see. Do your best in your studies and make Lebanon stand high academically.

Remember this injunction. Get out for something and work like everything at it for yourself and your high school. Make Lebanon, thru your efforts, stand high in athletics, in forensics, in scholarship. Think Lebanon, talk Lebanon, and be an active, living, kicking, howling part of Lebanon. Don't be so much dead drift wood that is carried along with the current. Be a part of that current and by your individual effort, working in complete harmony with the other fellow, do what you can to make a bigger, better Lebanon High School.

—Manley Immel '17.

THE VALUE OF A GOOD HIGH SCHOOL TRAINING.

Some sage has said, "don't put off until tomorrow what you can do today." As this is well applied to many cases, it may be properly applied to the procuring of a good high school foundation for a college career. Few, if any, students stop to consider while they are struggling through Caesar's Gallic Wars or trying to emerge from the entanglements of a proposition in geometry, that they are preparing themselves for a good entrance into college. In many cases, students' admission certificates are turned down because of the lack of a sufficient high school training. Some students spend much of their first or second years in college making up and down work that they should have done in high school. If a student would look far enough into the future and think of what it means to enter college with a full number of entrance credits, it would not be hard to see the wisdom of a subject, perhaps, in which no special benefit is seen. When a high school has laid down certain requirements for graduation, don't for your own good, as well as for the standards of your school, evade any of these requirements. Franklin saw the wisdom of making the present time "the" time, so why shouldn't you?

Many high schools are not up to the standard and their graduates are refused entrance to college of good standing. Appreciate and help keep up the standards of your school by doing the required work and acquire what training is available at the proper time. Don't put off until tomorrow. It only means your loss.—Ruby D. Robinson, Shorter College '24.

ALUMNI.

What would be thought were an alumnus to admit forgetting almost all the old school yells? And what would be said were he to confess remembering but the air of a single song? It probably will be guessed what has happened to his propositions in Geometry, facts of history, etc. Then what have been the real things from high school days that have stayed with him—that live perhaps with most of us?

Why there is the exhilaration of those old yells and songs, the spirit engendered of wholesome aggressiveness and loyalty. It carries over into every good struggle. It makes good winners of us when we win, and we from L. H. S. quite often do. And we do things now because we found out in four years there just how to do them. For, as our activities were varied, our interests were real. Whether we wrote or planned for Pennant or Cedars, whether we debated or declaimed, whether we participated in athletics or theatricals, we wrought usable experience. Let us believe that the high standard urged of us perpetuates itself.

BEAUTY NOTES.

Dear Miss A la Mode:

I am an important member of the Senior class in L. H. S. My ambition is to run everything in the school and though I have succeeded to some degree, my ambitions have not been fully realized. Can you advise? Hopefully,

EUNICE.

Dear Eunice: It is with pleasure that I reply to your letter. You may attain your desires by going to every class meeting and not letting anyone talk louder or faster than you. Drown out very other voice, if possible. On every occasion, assume a busy, important manner and boss everything you can. Above all impress the Freshmen and teachers with your importance.

Dear Miss A la Mode:

I am very pretty in every respect except that I have red hair and freckles. How can I get rid of these? I want the girls to like me. Bashfully,

KENNETH K.

Dear Kenneth: Every night before retiring soak the face for 30 minutes in carbolie acid and dip the hair in linseed oil mixed with sugar of lead. After a few nights both freckles and red hair will disappear.

Dear Miss A la Mode:

I am a handsome young man in L. H. S. To give myself a more dignified appearance I am growing a mustache, but I find difficulty in making it grow. Please advise me how to get a mustache quickly. Impatiently,

WILBUR S.

Dear Wilbur: By applying liquid shoe polish to the upper lip the effect of a thick mustache will be acquired.

REVELATIONS OF A FLY IN L. H. S.

Well, this is sure enough "blue Monday" for L. H. S. I don't believe there's anything doing at all. Oh, yes! I guess I'll go over and examine Miss Norwood's new diamond, which everyone talks about. Sakes! I don't think I can stay here. It's so bright it hurts my eyes, but I do wish I could stand to examine it more closely and see if it isn't a "ten-center." Buzz-z-z-z.

Well, I do believe Vetha is writing Arthur. I'll go see. Oh, my! This is stickier than flypaper. I simply can't stand this sweet stuff. Buzz-z-z-z.

There's Estle Nichols and she looks as if she is thinking of something interesting. My! such a roar as I hear in her head. I can only understand a word or two—"Lawrence—Lawrence—come—back—to—me." Pooh, this is worse than Vetha's note. Buzz-z-z-z-z.

It seems that everyone has this disease. Now just look at Martha Morris. Every time I buzz by her desk she's writing to Sox.

For heaven sakes! What kind of a storm have I got into now? I can hardly fly. Oh, I see. It's those horrid thought waves. Eugene and Alberta are always thinking of one another and as they sit only a few rows from one another in the assembly, it certainly stirs up the atmosphere between them.

I think I'll try and find someone who isn't love sick. There's Bennie DeVol. I'm sure he won't deceive his looks and he doesn't look love-sick. Well, really, I believe he is through, for the air is fairly blue around him with thoughts of girls—curls—and, why he is actually whispering—Lot—Lottie, I believe that's it. Well, I'd never have thought that of you, Bennie.

My goodness! I sure was scared then. I thought I was getting into a wasp's nest and it was only Edna Clark's hair.

I wonder where Evelyn Burroughs is. She always has some good candy and I'm pretty hungry. There she is and she's only chewing gum, but that doesn't do me any good.

Speaking of candy makes me think. Yesterday I was up at the public library and there's just lots of cases go in there and eat candy after school. I really don't believe Myrtle and Clive Etchison ever have dates any place else.

I've often wondered what makes Helen Ryan talk so much about Frankfort. She seems to think Frankfort is the only place on the map. Well, I'll just tell her it isn't, for I'm a loyal supporter of L. H. S. Why, just lots of times I help the teachers by keeping some sleepy student awake. But it's a risky business, for just yesterday I barely missed being hit by an eraser, thrown by Noble Harlos.

The other day I saw Lorenzo Dougherty had something on his mind. Yes, that's a fact. I thought that was pretty unusual, so I went over to investigate and he was thinking of a big bag of peanuts that he had spilled when he stumped his toe and fell down right in front of the Star Drug Store. Well, I tried to console him by running across his forehead, but it only made him madder. That's what one gets for being kind.

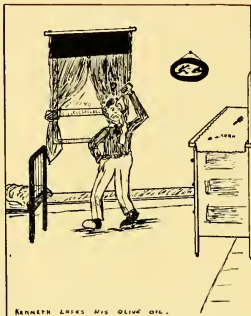

I noticed today that Julia Ridgeway is wearing her hair a la Robert. You know, in other words, "hobbed."

Between periods I thought I'd eavesdrop a little on Gaylon Overleese and Wayne Peahody and he said, "Gaylon, only fools go with pretty girls." And guess what she said. Why she said, "Oh, you flatter."

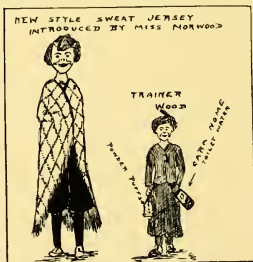

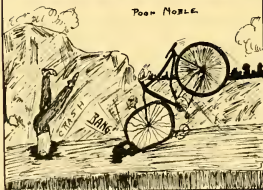

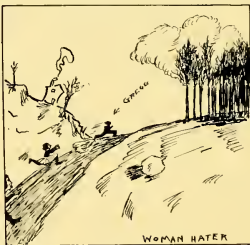

Well, this is getting monotonous, so I think I'll go see if I can't find some of those peanuts Lorenzo spilled. So long, L. H. S. Buzz-z-z-z-z.

WHY WE'RE LEAVING L. H. S.

- Lura Grater—To let more “Graters” in.
Paul McCarthy—Because they won't let me take one subject more than three times.
Dorothea Varntz—To have more dates with Wood.
Clyde Tribbett—To run the Star Drug Store.
Cyrus Wooley—My school teacher is waiting for me.
Charles Sims—To avoid these vampires.
Mary Brown—The honor roll is getting monotonous.
Dorothy Nease—To be a Gardner.
Wilbur Slagle—To make a vacant position at the Star.
Martha Morris—Because Sox won't let me vamp any more B. B. boys.
Lalah Immel—To avoid joke department on Pennant and Cedars.
J. A. Hogshire—Cause Paul's going.
Willett Parr—To gather old iron and rags for the junk yard.
Lillian Johnson—So I can write poetry.
Estle Nichols—I don't want to leave Lawrence, but I'll have to.
Mary Johnston—To chaperon Wilbur and Lucile.
Dorothy Rhinehart—To go to California.
Harold Meadows—To take my dad's place as auctioneer.
Carol Sparks—To go back to Jamestown. (We wonder why.)
Mildred Chenoweth—Because this is my last year in school.

MY LINE OF GENERAL HOUSE FURNISHINGS

Comprises Furniture, Rugs, Linoleums and Ranges, as well as the nationally known Sellers Kitchen Cabinets—excel in fifteen ways over all others.

No wicks. Everlasting. Burns like city gas; 19 hours burning to the gallon of coal oil.

Chambers Fireless Gas Range saves one-half your gas bill, improves the food and dispenses with all pot watching. The most efficient appliance ever devised for the kitchen.

The Air-Way Electric Cleaner weighs only eight and one-half pounds. Has a dozen different uses heretofore unknown in electric sweepers. I save you money on anything any time.

THE ROSE.

I saw a rose close by the garden wall,
In pure, rich crimson color blown;
I saw its lovely petals drop and fall
Until the dying stem was bare and lone.

I felt and knew that I had lost a friend;
It was but born to blush and share its bloom,
And now, 'tis dead. And all that's left, it's end.
A very faint and lingering perfume.
